# Our Wines

Our wines are stored in a temperature (57 Degrees Fahrenheit approximately) and humidity (70% approximately) controlled cellar for your enjoyment.

Should you like a wine to be served at a different temperature than what it was presented to you at, please let us know we will try and adjust its temperature to best suit your needs.

If there is a wine you would like to be decanted prior to your arrival, please call our Restaurant Manager ahead of time and we will be happy to decant it for you.  
(A Credit card guarantee is required.)

We, here at Amiraj take pride in our wine program. If there is a wine you think you would like to see on our list please let us know, we will try our best to obtain the same or a comparable vintage or wine for your next visit.

Vintages are subject to change as we refresh our wine cellar on an ongoing basis.

If there is a wine that is not in our cellar and that we are unable to obtain for you, we offer a corkage service for \$25.00 per bottle (750 ml).

We use Spiegelau & Riedel stemware for our wine service.
